Hi Nancy, Tom, Eric and Barbara,

I wanted to let you know that Tomas Torres, R9's new Water Director and Melanie Shepardson, Office of Regional Counsel, will be joining us as part of the EPA contingent in our meeting with you.

The purpose of the meeting is to discuss these three broad categories:

1. Petitions and Notice of Intent related to Bay Delta water quality standards received by EPA.
2. Status of development of Bay Delta WQS.
3. Collaboration/support for development of Bay Delta WQS.

Look forward to seeing you Friday morning and thanks for making the time to meet with us.
